10 ft Black 4-in-1 USB KVM Extension Cable

StarTech ID: 4N1USEXT10BK

This 10ft (black) 4-in-1 USB KVM Extension Cable lets you position your keyboard, monitor, mouse, and speakers away from your computer without the clutter of four separate extension cables.

The USB KVM Extension Cable offers VGA, USB (mouse/keyboard) and audio connectivity in a single cable, eliminating tangles and a cluttered workspace. The high-quality video cable features double-shielding and a ferrite core to eliminate signal interface, giving you crystal-clear video quality.

Each connector is color-coded according to PC99 specifications for easy installation.

Applications

- Allows easy extension from your desktop computer
- Reduces the mess of tangled cords by fusing 4 into one

Features

- Single cable design extends VGA, Speakers, USB keyboard and Mouse
- PVC construction allows greater flexibility and durability
- All connectors are color coded to PC99 specifications for easy installation
- USB Keyboard, monitor, USB mouse, and speaker cables are separated for 1 ft from each end for easy connection
- Video cable is constructed of mini-coax wire for ultimate picture clarity
- Gold plated audio connectors for crisp clear sound
